Part 1: Join Aspire

Part 2: Intent To Apply Form

Part 3: Trainer Portfolio

## Part 1: Register as a trainer with Aspire.

### Before you begin the application process, here are some important things to note:

- Having an Aspire Professional Profile is just the first step in the process to earning the any of the T-TAP Credential designations. You **DO NOT** indicate that you are applying for the T-TAP Credential in your Aspire application for a Professional Profile.
- Once you are done with your Aspire Application, you should complete the Intent to Apply for the Trainer Credential Form on the New York State Association for the Education of Young children (NYSAEYC) website at [www.nysaeyc.org/ttap-credential/](http://www.nysaeyc.org/ttap-credential/).
- Once you submit your Intent to Apply form, NYSAEYC will help you through the remainder of the T-TAP Credential application process, including the Professional Development Specialist Portfolio process.

### About Aspire

Aspire is the state's new workforce registry. It is an online system that helps all early childhood professionals, including providers of professional development, keep track of their employment history, education, and ongoing professional development. It is also the first step in applying for the New York State Early Learning Trainer Credential. All Credentialed Trainers and Trainer Credential Applicants must have an active Individual Professional Profile with Aspire.

Visit [www.nyworksforchildren.org/aspire/go](http://www.nyworksforchildren.org/aspire/go) to begin.

### Aspire: Get Ready

The Aspire application has two main parts: the online application and the supporting documentation. When you fill out your online application, you will be asked questions about your education, credentials, curricula you are approved to deliver, and assessment tools you are trained to administer. Based on your answers to these questions, you will be required to send in documents that help Aspire staff verify what you have entered in your application. To make the application process smoother, you should gather these documents **before** filling out the application. The documents may help you answer the application questions, and you will have to provide NYWFC with copies of them when you are finished.

- Early Childhood or School Age Credentials**  
Copies of certificates for all credentials you've earned. This might include certificates for a CDA credential, Infant Toddler Credential, NAFCC Accreditation, etc.

To begin using Aspire, you will need to set up an account. Your account is the username, password and other identifiers that you can use to access your information on Aspire. To set up your account, visit [www.nyworksforchildren.org/aspire/go](http://www.nyworksforchildren.org/aspire/go), then click “Create an Individual Professional Profile (Directors, Providers, Teachers and Trainers” under “Don’t have an account?” in the left sidebar.

## Part 1: Register as a trainer with Aspire, continued.

Start by following the link to the Documentation Checklist and print it out. Then gather official copies of all documentation required on the list you received from Aspire. (Note: For college/university degrees, you are required to send your transcripts, not your diploma.)

Next, make copies of these official documents. Please note that only copies of official documents are necessary, and that Aspire cannot return your documents after they have been reviewed. Do not send original documents. Complete the document checklist.

Finally, place the Documentation Checklist on top of all of your documents, and send the Checklist and all of your documentation in ONE ENVELOPE to: **New York Works for Children, Aspire, 16 Court Street, 31st Floor, Brooklyn, NY 11241**

### **Review Process**

Once Aspire receives your documentation, it may take an average of 6 weeks to complete the review process. Aspire will verify your professional development certificates, membership and contribution documentation, high school diploma, and college or university degrees. Based on a review of any transcripts you send in, Aspire will also use any coursework in early childhood education or related fields to adjust your level on the Career Ladder (which is based on a combination of your education, credentials, and years of experience in the field).

At the end of the review process, you will receive your Professional Development Record and an Aspire Certificate with your Career Ladder level and Trainer Level at the mailing address provided in your application. You will receive one of the following Trainer Levels: Registered Trainer or Verified Trainer at the mailing address provided in your application. If you do not receive these three items, or believe there has been an error on your Professional Development Record or in calculating your career level, please contact Aspire at 718-254-7353.

### **Update and Renew**

After your application has been completely processed and you have received your Certificate, you will be able to use your Aspire ID and password to access your Professional Profile and Professional Development Record online at any time, in order to update any changes to your Personal, Education, Employment, Training/Professional Development, Professional Memberships or Contributions information. Simply follow the onscreen instructions to make the necessary changes to your Profile, print and complete a Document Coversheet, and send in any relevant documentation to NYWFC. You will now also be ready to complete the Trainer Credential Application.
